One boat sanctioned to the Kirimanjeshwar Fish Curing Yard in the G.O. cited above has become unserviceable due to fair wear and tear. The boat in question was purchased and supplied to the yard on 10-10-1939 at a cost of Rs. 23-8-0. The Assistant Director of Fisheries, Mangalore states that the boat cannot be used even after repairs as it has deteriorated to such an extent. He Therefore suggests that the boat may be condemned and disposed off in Public Auction.

In the circumstances explained above, I request that the boat may be ordered to be written off the accounts and disposed off in Public Auction.
